About Samiboo

Our goal was introduction to the market the brand, which products are unique in terms of design, quality of manufacturing and used components. We put much care to design products based on safe components, manufactured by certified suppliers – making daily use by us and kids pure joy. That is how idea of Samiboo's products was started.

Our products are targeted to parents looking for good design, taking care about esthetic part of product, high quality and Scandinavian toned colors. To all of you who cares about product safety and way how was manufactured. We believe that small details are making big difference – that is why we focus so much on finishing. Our bedding sets are made with extremely delicate satin cotton, which is additionally soften in dedicated process. Bamboo muslin is covered with ions of silver. Footmufs are made with high performance fabric with breathable membrane - developed by us with supplier. We are manufacturing in Poland!

We are having plenty of ideas for new products – Please join Samiboo's world!

Fabrics & Details

Our Fabrics are major point making us unique:

- * satin cotton is extremely soft and delicate as during manufacturing was double softened - in dedicated for us process
 - * bamboo viscos fabrics are manufactured in high quality, smooth and soft like silk
 - * bamboo muslin fabric is additionally covered during manufacturing process by silver ions - giving additional antibacterial feature
 - * bamboo frotte - perfect, high density 500g/m, having high water absorption
 - * 100% cotton fabric - high quality with dense weave, soft and delicate
 - * Samiboo Technical fabric - one used as top layer for footmuffs - produced in dedicated for us process - high quality waterproof fabric (10000 mm H₂O), windproof, hydrophobic finished with high performance breathable membrane
 - * plush - extra smooth, high dense plush fabrics.
- 

All fabrics are having oeko-tex 100 in class 1, so can be used by newborns. To print it is used high quality digital print with certified pigments. All fabrics are made in Poland (except for the plush).

Fabrics & Details

All used prints are reserved and designed especially for us. We take a lot of care about details, as they are making unique – us and our products:

- * Cotton pipping/trim in bedding set, which is making it elegance and well accent fabric
- * Quilted bumpers finished with thick, decorative pipping adding elegance and underlining baby bed
- * Safe for babies zipper
- * Beautiful quilted patterns done in Poland based on our designs

We are working following our philosophy – small details are making big difference. Quality of details in our product as well as elegance are extremely important for us.
